

# 9<sup>TH</sup> ANNUAL PARTY FOR A CURE

This year, as Party For A Cure gets established and waits on its non-profit status, the donations will be going through International Care, Inc. They have graciously agreed to take this on for us until we are up and running!

All donations will be going to the **Muscular Dystrophy Association of Maryland** and **The ALS Association DC/MD/VA Chapter** by way of Summer Camp & Research and directly to those living with neuromuscular diseases by way of Medical Equipment Assistance and Accessibility Needs.

Your donations are tax deductible through International Care, Inc.

**Friday**  
**June 16, 2017**  
**Turf Valley Resort**

The 2017 Party For A Cure requests the pleasure of your company at the 9<sup>th</sup> Annual Party for A Cure celebration to benefit individuals with muscular dystrophy, ALS and related life threatening diseases that limit strength and mobility. Together, we can help free kids and adults from the harm of these muscle debilitating diseases by funding research breakthroughs across diseases, caring for individuals from day one, and empowering family with services and support in our hometowns.
